- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.
- If you have raised an objection pursuant to Art. 21 Sect. 1 GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

If you deactivate cookies, the functions of this website may be limited.

Cookies that are required for the performance of the electronic communications transaction or to provide certain functions you want to use (e.g. the shopping cart function), are stored on the basis of Art. 6 Sect. 1 lit. f GDPR. The website operator has a legitimate interest in storing cookies to ensure the technically error free and optimised provision of the operator's services. If other cookies (e.g. cookies for the analysis of your browsing patterns) should be stored, they are addressed separately in this Data Protection Declaration.

#### Server log files

The provider of this website and its pages automatically collects and stores information in so-called server log files, which your browser communicates to us automatically. The information comprises:

- The type and version of browser used
- The used operating system
- Referrer URL
- The hostname of the accessing computer
- The time of the server inquiry
- The IP address

This data is not merged with other data sources. This data is recorded on the basis of Art. 6 Sect. 1 lit. f GDPR. In order to achieve this, server log files must be recorded.

#### Contact form

If you submit inquiries to us via our contact form, the information provided in the contact form as well as any contact information provided therein will be stored by us in order to handle your inquiry and in the event that we have further questions. We will not share this information without your consent.

Hence, the processing of the data entered into the contact form occurs exclusively based on your consent

(Art. 6 Sect. 1 lit. a GDPR). You have the right to revoke at any time any consent you have already given us. To do so, all you are required to do is send us an informal notification via e-

mail. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

The information you have entered into the contact form shall remain with us until you ask us to eradicate the data, revoke your consent to the archiving of data or if the purpose for which the information is being archived no longer exists (e.g. after we have concluded our response to your inquiry). This shall be without prejudice to any mandatory legal provisions – in particular retention periods.

### **The comment function on this website**

When you use the comment function on this website, information on the time the comment was generated and your e-mail-address and, if you are not posting anonymously, the user name you have selected will be archived in addition to your comments.

#### **Storage of the IP address**

Our comment function stores the IP addresses of all users who enter comments. Given that we do not review the comments prior to publishing them, we need this information in order to take action against the author in the event of rights violations, such as defamation or propaganda.

#### **Storage period for comments**

Comments and any affiliated information (e.g. the IP address) shall be stored by us and remain on our website until the content the comment pertained to has been deleted in its entirety or if the comments had to be deleted for legal reasons (e.g. insulting comments).

#### **Legal basis**

Comments are stored on the basis of your consent (Art. 6 Sect. 1 lit. a GDPR). You have the right to revoke at any time any consent you have already given us. To do so, all you are required to do is send us an informal notification via e-mail. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

### **Google Analytics**

This website uses functions of the web analysis service Google Analytics. The provider of this service is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

Google Analytics uses so-called cookies. Cookies are text files, which are stored on your computer and that enable an analysis of the use of the website by users. The information generated by cookies on your use of this website is usually transferred to a Google server in the United States, where it is stored.

The storage of Google Analytics cookies and the utilization of this analysis tool are based on Art. 6 Sect. 1 lit. f GDPR. The operator of this website has a legitimate interest in the analysis of user patterns to optimize both, the services offered online and the operator's advertising activities.

#### **IP anonymization**

On this website, we have activated the IP anonymization function. As a result, your IP address will be abbreviated by Google within the member states of the European Union or in other

states that have ratified the Convention on the European Economic Area prior to its transmission to the United States. The full IP address will be transmitted to one of Google's servers in the United States and abbreviated there only in exceptional cases. On behalf of the operator of this website, Google shall use this information to analyse your use of this website to generate reports on website activities and to render other services to the operator of this website that are related to the use of the website and the Internet. The IP address transmitted in conjunction with Google Analytics from your browser shall not be merged with other data in Google's possession.

### **Browser plug-in**

<https://support.google.com/analytics/answer/6004245?hl=en>.

### **Contract data processing**

We have executed a contract data processing agreement with Google and are implementing the stringent provisions of the German data protection agencies to the fullest when using Google Analytics.

### **Demographic parameters provided by Google Analytics**

This website uses the function "demographic parameters" provided by Google Analytics. It makes it possible to generate reports providing information on the age, gender and interests of website visitors. The sources of this information are interest-related advertising by Google as well as visitor data obtained from third party providers. This data cannot be allocated to a specific individual. You have the option to deactivate this function at any time by making pertinent settings changes for advertising in your Google account or you can generally prohibit the recording of your data by Google Analytics as explained in section "Objection to the recording of data."

### **Archiving period**

<https://support.google.com/analytics/answer/7667196?hl=de>

### **Google AdWords and Google Conversion Tracking**

This website uses Google AdWords. AdWords is an online promotional program of Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

In conjunction with Google AdWords, we use a tool called Conversion Tracking. If you click on an ad posted by Google, a cookie for Conversion Tracking purposes will be placed. Cookies are small text files the web browser places on the user's computer. These cookies expire after 30 days and are not used to personally identify users. If the user visits certain pages of this website and the cookie has not yet expired, Google and we will be able to recognise that the user has clicked on an ad and has been linked to this page.

A different cookie is allocated to every Google AdWords customer. These cookies cannot be tracked via websites of AdWords customers. The information obtained with the assistance of the Conversion cookie is used to generate Conversion statistics for AdWords customers who have opted to use Conversion Tracking. The users receive the total number of users that have clicked on their ads and have been linked to a page equipped with a Conversion Tracking tag. However, they do not receive any information that would allow them to personally identify these users. If you do not want to participate in tracking, you have the option to object to this use by easily deactivating the Google Conversion Tracking cookie via your web browser under user settings. If you do this, you will not be included in the Conversion Tracking statistics.

The storage of "Conversion" cookies and the use of this tracking tool are based on Art. 6 Sect. 1 lit. f GDPR. The website operator has a legitimate interest in the analysis of user patterns, in order to optimize the operator's web offerings and advertising.

To review more detailed information about Google AdWords and Google Conversion Tracking, please consult the Data Privacy Policies of Google at:

<https://policies.google.com/privacy?hl=en>.

You can set up your browser in such a manner that you will be notified anytime cookies are placed and you can permit cookies only in certain cases or exclude the acceptance of cookies in certain instances or in general and you can also activate the automatic deletion of cookies upon closing of the browser. If you do not want to permit an analysis by Newsletter2Go, you must unsubscribe from the newsletter. We provide a link for you to do this in every newsletter message. Moreover, you can also unsubscribe from the newsletter right on the website.

### Data analysis by Newsletter2Go

Newsletter2Go enables us to analyse our newsletter campaigns. For instance, it allows us to see whether a newsletter message has been opened and, if so, which links may have been clicked. This enables us to determine, which links drew an extraordinary number of clicks.

Moreover, we are also able to see whether once the e-mail was opened or a link was clicked, any previously defined actions were taken (conversion rate). This allows us to determine whether you have made a purchase after clicking on the newsletter.

Newsletter2Go also enables us to divide the subscribers to our newsletter into various categories (i.e. to “cluster” recipients). For instance, newsletter recipients can be categorized based on age, gender or place of residence. This enables us to tailor our newsletter more effectively to the needs of the respective target groups.

For detailed information on the functions of Newsletter2Go please follow this link:

<https://www.newsletter2go.de/features/newsletter-software/>.

### **Legal basis**

The data is processed based on your consent (Art. 6 Sect. 1 lit. a GDPR). You may revoke any consent you have given at any time by unsubscribing from the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place prior to your revocation.

### **Storage period**

The data you archive with us for the purpose of the newsletter subscription shall be archived by us until you unsubscribe from the newsletter. Once you cancel your subscription to the newsletter, the data shall be deleted from our servers as well as those of Newsletter2Go. ## **6. Plug-ins and Tools**

### **YouTube with expanded data protection integration**

Our website uses plug-ins of the YouTube platform, which is being operated by Google Ireland Limited (“Google”), Gordon House, Barrow Street, Dublin 4, Ireland.

We use YouTube in the expanded data protection mode. According to YouTube, this mode ensures that YouTube does not store any information about visitors to this website before they watch the video. Nevertheless, this does not necessarily mean that the sharing of data with YouTube partners can be ruled out as a result of the expanded data protection mode. For instance, regardless of whether you are watching a video, YouTube will always establish a connection with the Google DoubleClick network.

As soon as you start to play a YouTube video on our website, a connection to YouTube's servers will be established. As a result, the YouTube server will be notified, which of our pages you have visited. If you are logged into your YouTube account while you visit our site, you enable YouTube to directly allocate your browsing patterns to your personal profile. You have the option to prevent this by logging out of your YouTube account.

Furthermore, after you have started to play a video, YouTube will be able to place various cookies on your device.

The use of YouTube is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6 Sect. 1 lit. f GDPR, this is a legitimate interest.

For more information on how YouTube handles user data, please consult the YouTube Data Privacy Policy under: <https://policies.google.com/privacy?hl=en>.

## Google Web Fonts

To ensure that fonts used on this website are uniform, this website uses so-called Web Fonts provided by Google. When you access a page on our website, your browser will load the required web fonts into your browser cache to correctly display text and fonts.

To do this, the browser you use will have to establish a connection with Google's servers. As a result, Google will learn that your IP address was used to access our website. The use of Google Web Fonts is based on our interest in presenting our online content in a uniform and appealing way. According to Art. 6 Sect. 1 lit. f GDPR, this is a legitimate interest.

If your browser should not support Web Fonts, a standard font installed on your computer will be used.

For more information on Google Web Fonts, please follow this link: <https://developers.google.com/fonts/faq> and consult Google's Data Privacy Declaration under: <https://policies.google.com/privacy?hl=en>.

## Google Maps

Via an API, this website uses the mapping service Google Maps. The provider is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

To enable the use of the Google Maps features, your IP address must be stored. As a rule, this information is transferred to one of Google's servers in the United States, where it is archived. The operator of this website has no control over the data transfer.

We use Google Maps to present our online content in an appealing manner and to make the locations disclosed on our website easy to find. This constitutes a legitimate interest as defined in Art. 6 Sect. 1 lit. f GDPR.

For more information on the handling of user data, please review Google's Data Privacy Declaration under: <https://policies.google.com/privacy?hl=en>.

## 7. Our social media appearances

### Data processing through social networks

We maintain publicly available profiles in social networks. The individual social networks we use can be found below. Social networks such as Facebook, Google+ etc. can generally analyse your user behaviour comprehensively if you visit their website or a website with integrated social media content (e.g. like buttons or banner ads).

When you visit our social media pages, numerous data protection-relevant processing operations are triggered. In detail:

If you are logged in to your social media account and visit our social media page, the operator of the social media portal can assign this visit to your user account. Under certain circumstances, your personal data may also be recorded if you are not logged in or do not

have an account with the respective social media portal. In this case, this data is collected, for example, via cookies stored on your device or by recording your IP address.

Using the data collected in this way, the operators of the social media portals can create user profiles in which their preferences and interests are stored. This way you can see interest-based advertising inside and outside of your social media presence. If you have an account with the social network, interest-based advertising can be displayed on any device you are logged in to or have logged in to.

Please also note that we cannot retrace all processing operations on the social media portals. Depending on the provider, additional processing operations may therefore be carried out by the operators of the social media portals. Details can be found in the terms of use and privacy policy of the respective social media portals.

### **Legal basis**

Our social media appearances should ensure the widest possible presence on the Internet. This is a legitimate interest within the meaning of Art. 6 (1) lit. f GDPR. The analysis processes initiated by the social networks may be based on divergent legal bases to be specified by the operators of the social networks (e.g. consent within the meaning of Art. 6 (1) (a) GDPR).

### **Responsibility and assertion of rights**

If you visit one of our social media sites (e.g., Facebook), we, together with the operator of the social media platform, are responsible for the data processing operations triggered during this visit. You can in principle protect your rights (information, correction, deletion, limitation of processing, data portability and complaint) vis-à-vis us as well as vis-à-vis the operator of the respective social media portal (e.g. Facebook). Please note that despite the shared responsibility with the social media portal operators, we do not have full influence on the data processing operations of the social media portals. Our options are determined by the company policy of the respective provider.

### **Storage time**

The data collected directly from us via the social media presence will be deleted from our systems as soon as the purpose for their storage lapses, you ask us to delete it, you revoke your consent to the storage or the purpose for the data storage lapses. Stored cookies remain on your device until you delete them. Mandatory statutory provisions - in particular, retention periods - remain unaffected. We have no control over the storage duration of your data that are stored by the social network operators for their own purposes. For details, please contact the social network operators directly (e.g. in their privacy policy, see below).
